AGENDA ITEM # 3

**TO:** Bicycle/Pedestrian Advisory Commission  
**FROM:** Cedric Novenario, Staff Liaison  
**SUBJECT:** Project Inventory Database Ad-Hoc Subcommittee

**RECOMMENDATION:**

Receive information from the ad-hoc subcommittee

---

**BACKGROUND**

Commissioners Ambiel, Sheppard and Baer lead the second round of subcommittee members to review and update the project inventory database. This review will consist of noting projects that are completed, removing duplicate entries, updating project information and/or adding in relevant projects.

The ad-hoc subcommittee met on June 25, 2014 and September 3, 2014.

**DISCUSSION**

Out of the 200+ entries in the project inventory database, the Ad-Hoc subcommittee reviewed and updated 15 entries on June 25<sup>th</sup> and 32 entries on September 3<sup>rd</sup>. These updates include striking out closed projects, noting if projects are included as current or future CIP, and removing duplicate entries. The date of the next ad-hoc subcommittee is TBD.
